

PAYMENT PLAN INFORMATION

Families may choose to pay for Summer Camps in full at registration or enroll in a monthly payment plan! Below are more details on the structure of our monthly payment option:

Payment Plan Schedule

- Payments are automatically charged once per month on the 15th after the initial deposit collected at checkout
- Payment plan runs from January 15 through June 15
- No action is needed after enrollment—payments are collected automatically

How It Works

- When you select a payment plan, your total camp balance is evenly divided across the remaining monthly payments!
- All families on a payment plan follow the same scheduled payment dates

Registering Later?

- If you register after one or more payment dates have already passed, your remaining balance will be split evenly across the remaining monthly payments
 - Example:
 - If you register after the January and February payments have passed, your total will be divided across the remaining 4 payments

Important Notes

- Payments are processed automatically on each scheduled date
- Make sure your payment method stays up to date to avoid missed payments
