

Party Shopping List.

The few things you toss in the car.

Arrive party-ready

The gym has no kitchen or refrigeration — everything below should arrive ready to serve.

Check it off as you go:

- ☐ **The food and the cake**
Ready to serve — nothing that needs warming or chilling. And don't forget the serving utensils.
- ☐ **Plates, napkins & plasticware**
Enough for your whole crew (plus a few spares).
- ☐ **Candles & a lighter**
The big moment needs both — they're easy to forget!
- ☐ **Decorations**
Quick to set up and take down
- ☐ **Drinks**
Juice boxes or bottles are easiest — no fridge, so use a cooler for anything cold.
- ☐ **The birthday kid**
Don't forget this one. It's very important!
